SHIVAS THIRD EYE

The Amygdala at the centre of your forehead. The third eye of shiva is a power portrait. It's a story, a saga in wooden artwork, created by blending in the 3 Dimensions of existence itself, The Past, The Present and The Future... The third eye is nothing but a manifestation of Knowledge and Understanding. The power at the centre of all existence. This sculpture is one of our favourites and is created out of sheer brilliance and bliss. The power centre of this woodwork would work perfectly in the Kitchen or Common Living Spaces that are shared by all members of the house. This is not just a wall hanging, it bears true power within its intricate designs.

K007

THE WHEELS OF THE WORLD

Not to be mistaken with a mandala, this next sculpture is a symbol of continuation and growth. Mankind's only true invention was the wheel, everything else was discovered as a by-product of the utilities of THE WHEEL! Come to think of it, it was the discovery of wheel that can be as the base of everything else we as mankind ever discovered or invented! The wheels of the world... is a complex sculpture made of intricate laser cut woodwork that symbolizes Continuation of Life. The co-dependent axels of life, the wheels that work in rotation like axels are the ones that propel life forward. This particular one can be interpreted in thousands of ways and the more artistic you are... the more artistic your justification for having this wonderful piece strung outside your Main Door!
